EXTERNAL FACTORS – COVID-19 AND THE OUTBREAK OF WAR – IMPACT THEREOF

The Financial Year 2021-22 suffered two major jolts, causing far reaching impact on the global economy. First, it was COVID-19 and then the Russia – Ukraine war. The beginning of the financial year witnessed unprecedented spread of COVID-19 resulting in lockdowns, restrictions on movements across the country and mass fatalities. Towards the end of 2nd quarter of the FY, while the waves of COVID started to subside steadily and normalcy was about to be restored, the Russia – Ukraine war broke out in the 4th quarter of the FY. The said events may have peculiar impacts on the global economy. While we are collectively and parallelly combating this pandemic, we are also slowly but steadily trying to recover and restore normalcy in our economy and also our lives. We have, to a certain extent, learned to adapt and align our work culture in tune with this Covid -19. Your Company's operations are directly related to movement of people and eventually that of goods. In the situations of lockdowns and other covid induced restrictions, a logistics Company need to evaluate and adapt itself in a very dynamic manner. Your Company is constantly following up with its regular customers in order to keep a real time track of their decisions. This has helped us plan our resources in an optimal manner. Further, we are also keeping our employees apprised of the developments in the Company and have been successful in retaining their confidence in the management. In the event of any such situation, your management is all geared up to face the challenge and overcome any contingency with absolute resilience. All this has helped us report buoyant performance during the FY 2021-22 despite all odds. Riding on the encouraging performance during the first half of the FY 2021-22, we have achieved a growth of more than 25% in our turnover during the said FY. We expect to do better in the ensuing FY 2022-23.

Further, we draw your attention to Note 32 to the Standalone Financial Statement for more discussion on the captioned matter.

TRANSFER TO RESERVES:

We do not propose any amount to be transferred to the Reserves for the current Financial Year.

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE COMPANY

Save and except as discussed elsewhere in this Report, there have been no material changes and commitments affecting the financial position of the company between the end of the financial year and the date of this report. Annexure - V**MANAGEMENT DISCUSSION AND ANALYSIS**

DRS Dilip Roadlines Limited is engaged in the business of providing high quality logistics services including transportation, packing & moving and renting of warehouses.

1. COMPETITIVE POSITION OF THE COMPANY**a) Industry Structure and Developments*****Industry Structure:***

- With the advent of online shopping and various inherent advantages associated with it, the global supply chain is growing and changing continuously, and advances in technology are helping to streamline operations in the long run. The growth of the global logistics market is directly related to the development of international trade flow and the current economic environment.
- Integration of information, transportation, inventory, warehousing, material handling, packaging, and security are key determinants. Favourable government trade policies have resulted in an increased demand for logistics services which also provides an opportunity for expansion to the existing vendors.
- The transportation and logistics industry is confronting immense changes such as digital transformation, new market entrants, changing customer expectations, and new evolving business models commensurate with contemporary circumstances.
- For the purpose of this study, the global logistics market has been divided into three segments: transportation type, logistic type, and end-user industry.
- On the basis of the transportation type, the market is segmented into airways, waterways, railways, and roadways.
- On the basis of logistic type, the market has been segmented into first party, second party and third party. The second-party logistics segment accounted for the largest market share.
- By End-user, the market has been segmented into industrial and manufacturing, retail, healthcare, oil & gas, and others.
Moreover, globalization coupled with population growth and consumption behaviour has seen ever-increasing demand for products from all corners of the world. The rise of e-commerce has added to the transport boom, and over the past decade, a considerable growth has been seen across the industry's value chain as a whole.

- Outbreak of health calamities in the nature of epidemics and pandemics have forced one and all to reorganize their living pattern, restrict their personal movements and adopt the e-commerce culture for their daily needs.
- The global retail logistics market is expected to grow at a compound annual growth rate of 12.3% from 2022 to 2030, during the forecast period..

Development:

- The outsourced logistics services is driving the growth of the market. Imbalance between the available resources and the consumption pattern is leading to increasing imports and exports along with a huge demand for logistics services.
- Strained trade relations of our country with few of its neighbours is compelling the manufacturers and traders to shift their manufacturing / trade hubs and thus leading to huge relocations.
- The recent shift of huge chunk of population from urbans to rurals has created new demands in the logistic industry.
- Rising demand for foreign goods in Indonesia, Thailand, and India has strengthened the trade relations with the U.S. Europe is another major region in the market. Germany, the U.K., and France are the major logistics markets.
- Transportation and logistics infrastructure is a constantly recurring priority in every new government policies. Economic reforms and government initiatives in terms of strengthening the manufacturing sector are expected to attract private investment.
- Work-from-home culture is giving new dimensions to the logistics industry

b) Opportunities and Threats

Opportunities:

- Emphasis on development of highways connecting various states is one such step. The GST regime is certain to expedite faster conversion of informal logistics setups to formal ones and speed up freight movement at interstate borders due to dismantling of check posts. There is a target to reduce the logistics cost in India from the present 13% -14 % of GDP to less than 0.08% - 0.09% by 2030.
- A new Logistics Division in the Department of Commerce has been established to coordinate integrated development of the sector by way of policy changes, improvement in existing procedures, identification of bottlenecks and gaps, and introduction of technology-based interventions. A concerted effort in collaboration with central line ministries and state governments is on to simplify the regulatory processes in domestic and export-import logistics.

- The Logistic market is likely to witness good market growth rising at a **7.25% CAGR** during the global forecast period (2022 – 2030).
- Launching of M-Parivahan mobile App and Pariwahan Sewa Portal.

Threats:

- Availability of goods on-line and that too cheaper variants will reduce the need to relocate goods from one to another.
- Increased work-from home and ease of work from anywhere will reduce movement of work force from one place to another.
- Increased e-commerce leads to increased packaging requirements and eventually huge consumption of packaging materials such as paper and plastic. There would be huge pressure on our forests and other natural resources. Environmentalists would definitely not support it. Further, it may be nature-detrimental and irreparable damages in store for our next generations.
- The writing is clear on the wall. The production of packaging materials consumes both natural and human resources. The application of those materials further uses more valuable resources. Finally, the disposal of packaging materials into landfills, incinerators, and, inappropriately, on the sides of countless highways and roads, waterways, seas and forests as litter, also requires the utilization of more valuable resources, most of which could have been used again, or differently. Unfortunately, Water bodies have turned into waste bins of our planet.

Annexure - IX**Whistleblower Policy**

As referred in the Directors Report and the Report on Corporate Governance, the Company has framed and adopted the Whistleblower policy that covers our directors and employees. The policy is subject to need based review and modifications, if required, from time to time. The Policy, as applicable currently, is laid hereunder and is also posted on our website www.drsindia.in

Scope and purpose:

DRS Dilip Roadlines Limited (DRS) is committed to complying with the foreign and domestic laws that apply to it, satisfying the Company's Code of Conduct and particularly to assuring that business is conducted with integrity and that the Company's financial information is accurate. If potential violations of Company policies or applicable laws are not recognized and addressed promptly, both the Company and those working for or with the Company could face governmental investigation, prosecution, fines, and other penalties. That may have cascading impact and may prove fatal. Consequentially, and to promote the highest ethical standards, the Company will maintain a workplace that facilitates the reporting of potential violations of Company's policies and applicable laws. Employees must be able to raise concerns regarding such potential violations easily and free of any fear of retaliation. That is the purpose of this policy (the 'Policy' or the 'Vigil Mechanism and Whistle Blower Policy'). You are required to read this Policy and acquaint yourself with the same.

Report at the earliest - Nip at the bud

Everyone is required to report to the Company any suspected violation of any law that applies to the Company and any suspected violation of the Company's Code of Conduct. It is important that you report all suspected violations. This includes possible accounting or financial reporting violations, insider trading, bribery, harassment, discrimination in your employment etc.

It is the policy of the Company that you must, when you reasonably suspect that a violation of an applicable law or the Company's Code of Conduct has occurred or is occurring, report that potential violation. Reporting is crucial for early detection, proper investigation and remediation, and deterrence of violations of Company's policies or applicable laws. You should not fear any negative consequences for reporting reasonably suspected violations because retaliation for reporting suspected violations is strictly prohibited by Company policy. Failure to report any reasonable belief that a violation has occurred or is occurring is itself a violation of this Policy and such failure will be addressed with appropriate disciplinary action, including possible termination of employment.

How & Where to Report

You must report all suspected violations to (i) your immediate supervisor; (ii) the nodal officer, i.e., the Company Secretary; at or (iii) anonymously, by sending an email to: investors@drsindia.in

If you have reason to believe that your immediate supervisor or the Company Secretary is involved in the suspected violation, your report may be made to the Chairman of the Audit Committee at:

Chairman, Audit Committee, DRS Dilip Roadlines Limited, 306, Kabra Complex, 61, MG Road Secunderabad. Pin 500 003

Because you have several means of reporting, you need never report to someone you believe may be involved in the suspected violation or from whom you would fear retaliation.

Your report should include as much information about the suspected violation as you can provide. Where possible, it should describe the nature of the suspected violation; the identities of persons involved in the suspected violation; a description of documents that relate to the suspected violation; and the time frame during which the suspected violation occurred. Where you have not reported anonymously, you may be contacted for further information.

Post reporting Investigation

All reports under this Policy will be promptly and appropriately investigated, and all information disclosed during the course of the investigation will remain confidential, except as necessary to conduct the investigation and take any remedial action, in accordance with applicable law. Everyone working for or with the Company has a duty to cooperate in the investigation of reports of violations. Failure to cooperate in an investigation, or deliberately providing false information during an investigation, can be the basis for disciplinary action, including termination of employment. If, at the conclusion of its investigation, the Company determines that a violation has occurred, the Company will take effective remedial action commensurate with the nature of the offense. This action may include disciplinary action against the accused party, up to and including termination. Reasonable and necessary steps will also be taken to prevent any further violations of Company's policy.

Zero - Retaliation policy

No one may take any adverse action against any employee for complaining about, reporting, or participating or assisting in the investigation of, a reasonably suspected violation of any law, this Policy, or the Company's Code of Conduct and Ethics. The Company takes reports of such retaliation seriously. Incidents of retaliation against any employee reporting a violation or participating in the investigation of a reasonably suspected violation will result in appropriate disciplinary action against anyone responsible, including possible termination of employment. Those working for or with the Company who engage in retaliation against reporting employees may also be subject to civil, criminal and administrative penalties.

Modification

The Audit Committee or the Board of Directors of DRS can modify this Policy unilaterally at any time without notice. Modification may be necessary, among other reasons, to maintain compliance with national, state or local regulations and / or accommodate organizational changes within the Company.

Independent Auditor's Report

To the Members of DRS Dilip Roadlines Limited (formerly DRS Dilip Roadlines Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of DRS Dilip Roadlines Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss, and the Cash Flow Statement for the year ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significant in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual report but does not include the Standalone financial statements and our auditor's report thereon. The Directors Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial

Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Directors report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the Board of Directors.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of

the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. No dividend was declared or paid during the year by the Company.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **DRS Dilip Roadlines Limited** as of 31 March 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditor's Report

To the Members of DRS Dilip Roadlines Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **DRS Dilip Roadlines Limited** (hereinafter referred to as "Holding Company") and its wholly owned subsidiary **DRS Cargo Movers Private Limited** (the Holding Company and its wholly owned subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2022, and the Consolidated Statement of Profit and Loss, and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, of its consolidated profit, and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than Financial Statements (Other Information)

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the

other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the Other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **DRS Dilip Roadlines Limited** (“the Holding Company”) and Its Subsidiary as of 31 March 2022 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company and Its Subsidiary internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures

that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its Subsidiary have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all period presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, which have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the affects of all dilutive potential equity shares.

13) Foreign Currency Transactions:

Initial Recognition - Transactions in foreign currency are recorded at the rate of exchange prevailing on the date of transaction.

Conversion - Foreign currency Monetary items are reported using the Closing rate. Non-Monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange Differences - Exchange differences arising on settlement of Monetary items or on reporting of Monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements are recognized as Income or Expense in the period in which they arise. Exchange differences arising in respect of Fixed Assets acquired from outside India are adjusted to the carrying amount of fixed assets.

14) Investments**Long Term Investments:**

Long term investments are stated at cost of acquisition. Provision for diminution is made if such diminution is considered other than temporary in nature.

Current Investments:

Current Investments are stated at cost or market value whichever is less.

If the aggregate market value of total of current investments is less than the aggregate cost value of the current investments, the net depreciation is provided for and is charged to the profit and loss account.

If the aggregate market value of the total of current investments exceeds the aggregate cost of current investments, the net appreciation is ignored. Depreciation in one category of investments is not set off against appreciation in another category.

15) Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets, liabilities, revenues and expenses. The estimates used in preparation and presentation of financial statements are prudent and reasonable. Actual results could differ from estimates. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **DRS Dilip Roadlines Limited** (the Company) for the half year ended 30th September, 2022 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Independent Auditor's Review Report on the Quarterly Consolidated Unaudited Financial Results of
the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure
Requirements) Regulations, 2015**

**Review Report to
The Board of Directors
DRS Dilip Roadlines Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of DRS Dilip Roadlines Limited ("the Parent") and its subsidiary (the parent and its subsidiary together referred to as "the Group") for the half year ended 30th September, 2022 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 March 29, 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

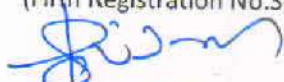

4. The Statement includes the results of the subsidiary DRS Cargo Movers Private Limited.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial results and other financial information of Subsidiary, DRS Cargo Movers Private Limited included in the consolidated unaudited financial results whose interim financial results and other financial information reflects total assets of Rs 1961.68 Lakhs as at 30th September 2022, total revenue of Rs 719.27 lakhs, total net profit after tax of Rs 65.56 lakhs and net cash inflows of Rs 0.43 lakh for the half year ended 30th September 2022 as considered in the consolidated unaudited financial results. These Interim financial results have been reviewed by other auditors whose report has been furnished to us by the Management and our conclusion on the consolidated financial results, in so far as it relates to the amounts and disclosure included in respect of this subsidiary is based solely on the report of such other auditor and the procedures performed by us are as stated in the paragraph 3 above

Our conclusion on the Statement is not modified in respect of the above matter.

EXTERNAL FACTORS – COVID-19 AND THE OUTBREAK OF WAR – IMPACT THEREOF

The Financial Year 2021-22 suffered two major jolts, causing far reaching impact on the global economy. First, it was COVID-19 and then the Russia – Ukraine war. The beginning of the financial year witnessed unprecedented spread of COVID-19 resulting in lockdowns, restrictions on movements across the country and mass fatalities. Towards the end of 2nd quarter of the FY, while the waves of COVID started to subside steadily and normalcy was about to be restored, the Russia – Ukraine war broke out in the 4th quarter of the FY. The said events may have peculiar impacts on the global economy. While we are collectively and parallelly combating this pandemic, we are also slowly but steadily trying to recover and restore normalcy in our economy and also our lives. We have, to a certain extent, learned to adapt and align our work culture in tune with this Covid -19. Your Company's operations are directly related to movement of people and eventually that of goods. In the situations of lockdowns and other covid induced restrictions, a logistics Company need to evaluate and adapt itself in a very dynamic manner. Your Company is constantly following up with its regular customers in order to keep a real time track of their decisions. This has helped us plan our resources in an optimal manner. Further, we are also keeping our employees apprised of the developments in the Company and have been successful in retaining their confidence in the management. In the event of any such situation, your management is all geared up to face the challenge and overcome any contingency with absolute resilience. All this has helped us report good performance during the FY 2021-22 despite all odds. Riding on the encouraging performance during the first half of the FY 2021-22, we have achieved a growth of almost 25% in our turnover during the said FY. We expect to do better in the ensuing FY 2022-23.

TRANSFER TO RESERVES:

No amount is being proposed to be transferred to the Reserves for the FY 2021-22.

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE COMPANY

Cargo Movers Private Limited and their respective shareholders and creditors, has been approved by the Audit Committee of DRS Dilip Roadlines Limited and the respective Board of Directors of the said Companies, whereby the warehouse Division is proposed to be demerged into DRS. Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **DRS CARGO MOVERS PRIVATE LIMITED** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DRS CARGO MOVERS PRIVATE LIMITED** ("the Company") as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(i) The financial statements of the Company for the year ended March 31, 2021 have been prepared on historical cost basis and its compliance with the mandatory Accounting Standards as prescribed under section 133 of the Companies (Accounts) Rules, 2014 as applicable, and the relevant provisions of the Companies Act, 2013.

(ii) The Ministry of Corporate Affairs amended the Schedule III to the Companies Act, 2013 on 24 March 2021 to increase the transparency and provide additional disclosures to users of financial statements. These amendments are effective from 1 April, 2021. Consequent to above, the Company has changed the classification/presentation of current maturities of long-term borrowings in the current year.

(b) Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of the financial statements, and the reported amount of revenues and expenses during the reported period. Actual results could differ from those estimates.

(c) Leases

Where the Company is the lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expense in the year in which they are incurred.

(f) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. The company recognizes sales at the point of dispatch of goods to the customer. Sales are net of discounts, sales tax, excise duty and returns. Revenue from sales is based on the price specified in the sales contracts, net of all expected discounts and returns in relation to sales made until the end of the reporting period.

(g) Depreciation

Depreciation is provided using the straight line method over the useful life of the assets as prescribed under part C of Schedule II of the Companies Act, 2013. Depreciation is charged on a pro-rata basis for assets purchased / sold during the period

Cost also includes financing costs relating to specific borrowing(s) attributable to the acquisition or construction of fixed assets.

(i) Borrowing cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

a) Taxation is provided for under the tax payable method, whereby all income taxes devolving upon the company are provided for, after considering all eligible allowances and rebates. Any claims by the Revenue Authorities against the Company are evaluated as regards the likelihood of their crystallizing into a liability. b) Deferred tax is recognized for all the timing differences. Deferred tax assets are recognized when considered prudent.

(d) Earnings per share

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. The Rationale for the Scheme is given below:

This Scheme of Demerger and vesting of the Demerged undertaking of the demerged company to the resulting company results in the following:

Each of the businesses of the Demerged Company operates in different business environment and is subject to different profitability, growth opportunities, future prospects and risks.
- ii. The nature of risk and competition involved in each of these businesses are distinct and consequently nature of considerations, factors and commercial parameters applicable to the business of Transportation of Goods being different and divergent in nature in comparison to that of Warehousing services business. With an endeavor to enhance shareholders value and insulate both the businesses from the risks of each other, it is proposed to reorganize and segregate, by way of Demerger of Warehouse Division.
- iii. The Demerger of Warehouse Division from the Demerged Company to the Resulting Company will facilitate the Demerged Company to focus on its remaining prime business and transfer of the Warehouse Division by way of Demerger to the Resulting Company will enable the Resulting Company to focus on ventures with greater profitability, and results in simplification of the Company’s structure and cost efficiency of respective companies and greater revenue inflow would be to the benefit of all the stakeholders of both the Demerged and the Resulting Company.
- iv. It is therefore, proposed that the Warehouse Division of the Demerged Company be segregated and demerged, pursuant to a Scheme of Arrangement and be transferred to the Resulting Company for achieving independent focus.
